ESO Guest Speaker Release Form

I am a speaker at an event taking place at ESO Garching (Germany) or ESO Santiago (Chile). My presentation will be recorded for distribution for scientific and educational purposes. In this context, I hereby grant to ESO (European Organisation for Astronomical Research in the Southern Hemisphere) my permission to record by video and/or audio my Presentation.

I permit ESO to freely disseminate the video and/or audio recording of my Presentation for non-commercial purposes by making it available online through the ESO public website and/or other internet outlets via streaming media or technologies, including live-streaming. This permission includes my name, affiliation, recorded voice and/or image and biographical information. I understand that I will not receive financial payment from ESO for granting this permission.

I retain full responsibility and ownership rights to my Presentation and all its intellectual content and affirm that my Presentation does not infringe on the copyrights of others.

I retain the right to notify ESO in writing at any time to request that my Presentation be removed from the ESO website as far as it is stored on ESO servers. I acknowledge the international status of ESO and that in the unlikely event of a dispute about interpretation of this agreement the dispute shall be submitted to an arbitration tribunal.
