<b>Title: A New Supernova Over Munich</b>	
1. On 26 April 2018, the <b>ESO Supernova Planetarium &amp; Visitor Centre</b> was officially inaugurated...	
2. The centre is located at <b>ESO Headquarters in Garching, Germany</b> and provides visitors with an <b>immersive experience of astronomy</b> .	
3. The centre includes a state-of-the-art <b>digital planetarium, interactive astronomical exhibitions and real astronomical artefacts</b> .	
4. Visitors can explore independently or <b>take a guided tour and hear stories about ESO and astronomy along the way</b> .	
5. The ESO Supernova will be completely <b>free of charge during 2018 — no excuse not to visit! :)</b>	Logos of founding partners (like in the 60sec trailer)
<b>00:00</b> <b>[Outro]</b>	<i>Produced by ESO, the European Southern Observatory. Reaching new heights in Astronomy.</i>
